MAY'S HOT TOPIC

PORNOGRAPHY

This month's Drop-In theme explores young people's attitudes to pornography, as well as how young people may be impacted by pornography. Along with all our usual Drop-In Services, we will also have a range of activities and resources aimed at exploring this topic.

If you're curious, worried or have questions about pornography, pop in to have a chat with one of our workers at our drop-in service.

JUNCTION YOUTH ADVISORS

The Junction Youth Advisors are a group of young people who volunteer to give their opinions and to help improve our services.

The JYA designed a poster campaign after carrying out action research at 3 local high schools

We hope to encourage 12 – 21 year olds in the area to consider The Junction as a place to go if they need support when it comes to experiencing stress

If you have any questions or would like to find out more about the Youth Advisors, please get in touch email us: youthadvisors@the-junction.org
